

## Minutes of the April 20, 2021 EVQG Meeting

President Donna Cusick opened the meeting with a reminder that raffle tickets should be returned so that we can draw for a winner next month. The quilt was on display.

The program was presented by Tammy Silvers, a fabric and quilt designer, who spoke on "Seeing Double." She showed many examples of how a change in color or fabric can create a whole different look in a quilt pattern. She had many of her patterns and batik fabrics for sale.

Next month, Tara Miller will do a trunk and slide show with the theme "The Fire of Our Mothers." In June, Teri Powers will give a presentation on "Scrap Quilt Crazy." The July meeting will be the showing of the Challenge quilts and the guild yard sale. Those wishing to sell sewing related items should let Donna know by June so that table space can be provided.

There were 51 present, including 2 new members, and 2 guests.

The minutes and treasurer's report from the last meeting are posted on the website.

Kathy Hill with Community Service is still receiving cat pads for the Humane Society and lap quilts for cancer patients at the Hope Center. Cat pad size should be 15" x 20."

Members were reminded that the Challenge quilt theme this year is "Crazy." Quilts are due in July for showing and judging.

Joy Smith is now the person to contact for Sunshine. Let her know by text or phone call of deaths, illnesses, or hospitalizations that need to be shared.

The next quilt camp is June 21-24 from 9 to 5 each day, Cost for the week is \$10, and payment can be made to Dee Dee Brannan either at the meeting or first day of camp.

Following door prizes and Show and Tell, the meeting was adjourned,
